Eligibility and Certification
ELIGIBILITY AND CERTIFICATION

Per 34 CFR Part 600 Institutional Eligibility, a school must:

• Be legally authorized by a state as a postsecondary school
• Be accredited
• Provide an eligible program
• Admit as regular students only individuals with a high school diploma or its recognized equivalent or individuals beyond the age of compulsory school attendance in the state where the school is located
ELIGIBILITY AND CERTIFICATION

Per 34 CFR Part 600 Institutional Eligibility, a school must:

• Provide no more than 50% of its courses by correspondence
• Have less than 50% of its regular students attend by correspondence
• Have no more than 25% of its regular students be incarcerated
• Have no bankruptcy, crime with Title IV, or fraud by school or owner
Types of Certification for Participation in *Title IV*

- Full certification
  - 4 – 6 years
  - Self-certification options
- Provisional certification
  - 1 – 3 years
  - Conditional provisions
The Basics:
The E-App, PPA, and ECAR
THE BASICS

- What is an E-App?
- What is a PPA?
- What is the ECAR?
THE BASICS

The Electronic Application (E-App)

- The Application for Approval to Participate in the Federal Student Financial Aid Programs
- Located at eligcert.ed.gov
- Used to apply for recertification
- Used to report all types of changes regarding school eligibility, including change of officials, additional locations, and educational program updates
The Program Participation Agreement (PPA)

- It is required for certified/participating schools
- A contract between the school and ED which outlines the regulations that the school is required to follow
- Signed by both the school and ED
- Effective when signed by ED; void as of the new PPA date
- Kept on file by the school, along with a copy of the most recent Eligibility and Certification Approval Report

(UNSIGNED CURRENT VERSION IS ACCESSIBLE FOR VIEWING/PRINTING AT EligCert.Ed.Gov)
THE BASICS

The Eligibility and Certification Approval Report (ECAR)

• A snapshot of the school’s participation, programs, location, officials, etc.
• A current copy of the ECAR must be kept on file by the school

(current approved version is accessible for viewing/printing at eligcert.ed.gov)
Updating the Application: Acknowledgements
Acknowledgements

• Report within 10 days of the change
• No need to wait for approval
Acknowledgements

- Change to the name of the school
- Change of address for main or additional location
- Closure of a previously approved location
- Change from/to clock-hours or credit-hours
- Decrease in the level of educational programs
- Change of educational program name, CIP Code, or credential level
- Discontinuation of educational program for 12 months
Acknowledgements

• Change to reported President
• Change to reported Chief Financial Officer
• Change to reported Financial Aid Director
• New person/entity acquires 25% or greater ownership without a change in control
• Change in members of Board of Directors
Acknowledgements

• Change of third-party servicer
• New or significantly modified contract with a third-party servicer
• Termination of a contract with a third-party servicer
• Third-party servicer under contract goes out of business or files bankruptcy
Updating the Application: Approvals
UPDATING THE APPLICATION

Approvals

• Change in ownership resulting in a change in control
• Change in accreditor
Updating the Application - Approval: New Locations
New Locations

• ECAR lists the main location and approved additional locations
• Eligibility does not automatically extend to separate locations and extensions
New Locations

• If 50% or more of an educational program is offered at a new location, the school must report the location to ED

• In some cases, the school must wait for ED’s approval

• If not required to wait for approval, schools must receive both the required state/foreign government and accrediting agency approvals, and report the location to ED before disbursing *Title IV* funds to enrolled students
UPDATING THE APPLICATION

New Locations

• School must wait for approval before disbursing *Title IV* funds if the school is:
  • Provisionally certified
  • On cash monitoring or reimbursement
  • Acquiring the assets of another school
  • Subject to a loss of eligibility under 668.188 (default rates), or
  • Required by ED to receive approval before disbursing *Title IV* funds
To streamline the application review process, school should consult with their School Participation Division if:

- Location was a facility of another school that has since closed
- School is providing a teach-out of a closing school at the closing school’s location
- Location is changing affiliation (is currently an approved school, or an approved location of another school)
UPDATING THE APPLICATION

New Locations

• ED will review applications for all reported locations to:
  • Ensure location meets eligibility requirements
  • Evaluate the school’s administrative and financial capability (if location approval is required)
• If approved, school may disburse/continue to disburse funds after receiving approval letter
• If not approved, school is liable for disbursements made
UPDATING THE APPLICATION

New Locations

- Location Eligibility Requirements:
  - Accreditor and state/foreign government approval is appropriate
  - Street address is provided
  - If located at the site of a formerly eligible location, meets all requirements to become an eligible location of another school
  - If located at the site of a currently eligible location, any established relationship between the two schools is reported
  - If the location is changing affiliation, ED has been notified to change the funds delivery
Updating the Application - Approval:
New Educational Programs
UPDATING THE APPLICATION

New Educational Programs

• ECAR lists the eligible program levels
• ECAR lists the eligible programs approved by ED

• In some cases
  • the school must report and obtain approval before disbursing funds to enrolled students
  • the school must report new programs

• In other cases
  • schools may make a self-determination of program eligibility and the program will not appear on the ECAR
New Educational Programs
The school must submit an E-App reporting the new educational program(s) and obtain approval before disbursing funds if:

• The school is provisionally certified
• The school is receiving funds under reimbursement or another cash monitoring payment method
• The school’s PPA says approval is required before adding educational programs
• The school is in its initial period of participation and subject to the two-year rule
New Educational Programs

The school must submit an E-App reporting the new educational program(s) and obtain approval before disbursing funds if:

• The program is a short-term program that does not admit as regular students only persons who have completed the equivalent of an associate degree
• The program is measured by direct assessment
• The program is a comprehensive transition and postsecondary program for students with intellectual disabilities
New Educational Programs

The school must submit an E-App within 10 days for any program(s) required to prepare a student for gainful employment in a recognized occupation, if it is not required to receive approval.

- The eligibility of these programs will be reviewed prior to the program being added to the ECAR as an eligible program.
New Educational Programs

If the school/program does not meet the criteria for required reporting, the school may make a self-determination of eligibility for new educational program(s), and then disburse funds to students without obtaining ED approval:

- School must receive state and accrediting agency approvals, and confirm the program meets any other requirements.
- Schools are encouraged to report programs for which they have made a self-determination, during recertification or sooner.
- If reported, the eligibility of these programs will be reviewed prior to the program being added to the ECAR as an eligible program.
New Educational Programs

• ED will review applications for all reported educational programs to:
  • Ensure reported programs meet eligibility requirements
  • Evaluate the school’s administrative and financial capability (if program approval is required)
• If approved, school may disburse/continue to disburse funds after receiving their approval letter
• If not approved, school is liable for disbursements made
New Educational Programs

• Program Eligibility Requirements:
  • Accradiator and state approval matches E-App (name and program length)
  • Classification of Instructional Programs (CIP) Code from 2020 CIP list and consistent with name of program
  • Leads to a recognized occupation (Standard Occupational Classification or SOC code) where required
  • Meets minimum weeks and clock or credit hours
New Educational Programs

• Program Eligibility Requirements (cont’d):
  • Meets clock to credit conversion where required
  • Does not exceed by more than 50% the minimum number of clock-hours established by the state for training in the occupation for which the program prepares students
  • Programs, which are required by the state to be based on clock-hours, can now allow aid to be calculated based on credit hours, if the school chooses
New Educational Programs

• Program Eligibility Requirements (cont’d):
  • Meets special requirements if Direct Assessment Program
  • Meets special requirements if Comprehensive Transition and Postsecondary (CTP) Program (See DCL GEN-11-01), and uses new 2020 CIP Code 30.0001

• Accrediting agency and state/foreign government authorization approvals for changes or additions
• Any documentation required in section M
• Section L of the E-App containing a manually drawn signature of the appropriate school official, either by:
  1. pasting a scan of their signature on the document
  2. digitally signing using a mouse or finger, or
